2-7 SPECIAL EXCEPTIONS

(A) The Board of Zoning Appeals may permit special Exception after a public hearing only in the specified districts indicated in table one (1) of the primary uses. No permit for a Special Exception shall be granted unless the Board shall have first found that the public convenience and welfare will substantially be served and that the proposed use will not be unduly detrimental to the surrounding area. In the exercise of its approval, the Board may impose, such additional conditions regarding the location, character and other features of the proposed building or structure or use as it may deem advisable in the furtherance of the purposes of this Ordinance

(B) Upon approval for the Special Exception, the Zoning Administrator shall issue an Improvement Location Permit.

(C) Upon a finding by the Board that the Special Exception with additional special requirements may be issued, the Board shall order the Zoning Administrator to issue an Improvement Location Permit for the Special Exception, providing the applicant agrees in writing to such additional special requirements.

(D) A finding by the Board that the Special Exception is not consistent with the spirit, purpose or intent of this Ordinance, may substantially or permanently injure the appropriate use of the neighboring property, or will not serve the public convenience or welfare, the Board shall disapprove the Special Exception.

(E) The board may table the application for a Special Exception, and refer it to the Zoning Administrator or committee with a request for further information, review and recommendations to the Board.

2-7-1 SPECIAL EXCEPTION- EXISTING USES

An existing use which is listed herein as a Special Exception and which is located in a district in which such Special Exception may be permitted, is a conforming use, however any expansion of such Special Exception involving the enlargement of the building structure, or the land area devoted to such use, shall be reviewed by the Zoning Administrator for compliance and may be subject to Board procedure described in this section.

2-7-2 SPECIAL EXCEPTION-TIME LIMIT

In the event that the applicant has failed to commence construction within six (6) months after such permit has been issued, or failed to proceed with construction, once commenced, in accordance with construction time table commonly prevailing in the construction industry, and subject to the Board's discretion as to the reasonableness of construction delays or fails to conform to the provisions of the development plan, and supporting data finally approved by the Board, and upon the basis of which such Improvement Location Permit for the Special Exception was issued. Said Board may upon its motion or upon the written petition of any aggrieved person at a public hearing, require the applicant to show cause why the Board's order should not be withdrawn and the Improvement Location Permit for the Special Exception be revoked.

2-7-3 SPECIAL EXCEPTION APPROVAL

A Special Exception shall be an authorized use in a district provided that all requirements can be met and the Board of Zoning Appeals finds that the use will not create an unnecessary hardship or nuisance on the surrounding property.

All requirements shall be completed prior to any operation of that use being started.

The uses may be permitted as a Special Exception in districts as outlined in Table one (1) of the Primary use Chart. The restriction in Table Two (2) shall be considered the minimum requirements and the Board may make any other reasonable restrictions they feel is necessary to protect that district. If a use is not listed in table two the Board must consider the use and restriction. The Board may place reasonable restrictions on the property to ensure that an unnecessary hardship or nuisance is not created on surrounding property.

In granting a Special Exception the board shall take in consideration the restriction outlined in table 2 along with other restrictions in a fair and unbiased decision.

- (1) The special exception will not create and unnecessary hardship on surrounding property.
- (2) The special exception will not devalue the surrounding property.
- (3) The special exception will not set a precedent for that district.

2-7-4 SPECIAL EXCEPTION REQUIREMENTS

All parking requirements shall be in accordance with the parking requirements outlined in section 3-3 of this Ordinance

All Special Exception shall conform to the following restrictions

- (1) Lights shall be placed in such a way that they do not infringe upon the rights of adjacent property owners. At no time shall any light be placed within ten (10) feet from any property line.
- (2) Parking areas shall be a minimum of (10) ten feet away from any other residential dwelling and shall be screen where light or noise will not interfere with the comfort of the adjacent property owner.
- (3) No unsafe, uncomfortable, or offensive vibrations, noise, visual effects, odors or air pollutants that would cause and unnecessary hazard to health or general welfare of the surrounding area shall not be allow to radiate across lot lines.
- (4) Any use listed as a special exception in table one shall meet the requirement for Minimum Lot Size, Setbacks, Parking Requirements, Entrances, Exits, fencing and screening in table two of this ordinance.
- (5) No loading berth may be closer than fifty (50) feet from any residential dwelling.

2-8 VARIANCES

(A) The Board of Zoning Appeals may authorize upon appeal in specific cases such Variances from the terms of this Ordinance as will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the provisions of this Ordinance would result in unnecessary hardship. No Non-conforming use or neighboring land, structures, or buildings in the same district and no permitted or non-conforming use of land, structure or buildings in other district shall be grounds for issuance of a Variance. Variances shall not be granted on the grounds of convenience of profit, but only where strict application of the provisions of this Ordinance would result in unnecessary hardship.

(B) A Variance from the terms of this Ordinance shall not be granted by the Board of Zoning Appeals unless and until a written application for the Variance is submitted to the Zoning Administrator and the Board of Zoning Appeals containing;

1. Name, Address, and Phone Number of applicant(s);
2. Legal description of the property;
3. Description of nature of Variance requested;
4. Public notice is given in accordance with subsection "D" of this section.

(C) A use Variance in according with L.C. 36-7-4-918.4 shall not be granted unless the Board make specific findings of facts based directly on the particular evidence presented to it, which supports conclusion that all of the standards and conditions imposed by the following subsection have been met by the applicant(s);

1. The approval will not be injurious to the public health, safety, morals, and general welfare of the community;
2. The use and value of the area adjacent to the property included in the Variance will not be affected in a substantially adverse manner;
3. The need for the Variance arises from some condition peculiar to the property involved;
4. The strict application of the terms of the Ordinance will constitute an unnecessary hardship if applied to the property for which the Variance is sought; and
5. The approval does not interfere substantially with the comprehensive plan adopted under this Ordinance.
6. An area Variance needs only to meet the requirements of C1, C2 and C5 above.

(D) Before holding the public hearing, notice of such hearing shall be given in the local newspaper of general circulation of the County of Miami at least ten (10) days before the date of said hearing. The notice shall set forth the date, time and location of the public hearing, and the nature of the proposed appeal or Variance.

(E) The applicant shall pay the cost for all publication for an appeal or Variance;

(F) Before holding the public hearing written notice of such hearing shall be mailed to all adjoining property owners by first class mail at least five (5) days before the hearing. This notice shall contain the same information as required of the notice published in the local newspaper;

(G) Within ten (10) days after the public hearing, written notice shall be sent to the applicant stating that the Variance or Appeal has been approved, approved with supplementary conditions or disapproved. If the Appeal or Variance is disapproved the Board of Zoning Appeals shall state reason for the denial.

(H) No Variance shall be granted in an R-1 or R-3 district allowing alcohol beverages to be sold or served on any premise.
